

## Referee Information

The Fort Worth Adult Soccer Association does not control or retain any of the referees that officiate league games. All referees that officiate FWASA league games are licensed by the United States Soccer Federation through the local North Texas Soccer Association and are assigned by Lalo Martinez. The Fort Worth Soccer Referee Association (FWSRA) conducts certification classes for new officials, administers exams for returning referees, and presents monthly seminars to educate and inform its members. Members of the FWSRA are contacted first to call Fort Worth Adult games because of their diligence and attitude towards the game.

Referee clinics (Grade 8) are generally held two to four weeks before each Spring and Fall season in Fort Worth and surrounding Adult and Youth Soccer Associations. These three-day clinics are usually held on weekends and involve study on the Laws of the Game, following with a multiple choice exam. If you are a current member of FWASA, the league will reimburse your clinic registration fee!

If you're interested in becoming a referee as well as inquiring about the next Grade 8 class, please click on the North Texas Soccer link below:

<http://www.ntxsoccer.org/Referee/Articles/becomearef.htm>

If you're a referee (current Grades 6-8) interested in officiating games for FWASA, please call Jackie Nims at (817) 346-0150 and she will forward your information to Lalo Martinez, FWASA Referee assignor.

If you would like to join the annual membership of the FWSRA (Ref Association), please contact Margie Colon at (817) 926-5403.
